SUMMARY

Full-stack developer specialized in React Native, Java Spring Boot and AWS, with solid experience in mobile architectures, backend microservices, cloud deployments and DevOps automation. Detail-oriented, fast-learning and able to own features end-to-end in agile cross-functional teams.

CORE SKILLS

Frontend/Mobile: React Native, TypeScript, Redux Toolkit, Expo, Jest

Backend: Java, Spring Boot, REST APIs, Microservices

Cloud/DevOps: AWS, Docker, Kubernetes, GitHub Actions

Databases: PostgreSQL, MongoDB

Other: CI/CD, Fortify, Dependabot

EXPERIENCE

Senior Mobile Developer – Sii Group (Jun 2025 – Present)

Develop secure mobile features for a financial client using React Native.

Build and maintain Spring Boot microservices for onboarding and payment flows.

Improve system stability and reduce API latency through refactoring and monitoring.

Software Developer – Glofy (Nov 2024 – Jun 2025)

Developed the web and mobile front-end for an ICU patient logistics platform.

Implemented AWS Amplify Gen 2 for CI/CD automation.

Optimized React component architecture and state management to enhance UX.

Software Developer – Salcobrand (Nov 2023 – Mar 2024)

Built POS mobile application in React Native.

Implemented scanning workflows and improved crash-handling and error reporting.

Software Engineer – Cuprum AFP (Feb 2020 – Nov 2023)

Delivered features for a large-scale React Native financial app.

Developed and maintained Spring Boot microservices.

Migrated workloads to MongoDB on Azure, reducing maintenance overhead.

Implemented notification services and Fintoc payment integration.

Resolved security issues using Fortify and automated dependency checks.

Migrated legacy services to AWS and set up monitoring dashboards.

Data Analyst – BackSpace (Mar 2019 – Jan 2020)

Modeled business processes in Bizagi and built Tableau dashboards.

EDUCATION & LANGUAGES

Education: Bachelor's Degree in Computer Engineering – Universidad Técnica Federico Santa María, Chile

Languages: Spanish (Native), English (Advanced – C1)
